DATE	20th January 2021
REPORT OF SUBJECT	Assistant Chief Executive (Statutory Scrutiny Officer) Tracking the recommendations of the Health and Adult Social Care Scrutiny Panel
STATUS	Open

CONTRIBUTION TO THE COUNCIL PLAN/STRATEGIC AIMS

The scrutiny panels act as a reviewing mechanism for decisions made relating to the strategic policy, performance and resources required to deliver the ambitions of the Council and its key partnerships. The aim of the scrutiny process is to make sure decision making is robust by providing constructive challenge. This contributes to the Council being effective and efficient and therefore is integral to the delivery of the Council Plan.

EXECUTIVE SUMMARY

The scrutiny panels have adopted a template in order to track their recommendations.

MATTER(S) FOR CONSIDERATION

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed, so that they can be removed from the table.

1. BACKGROUND AND ISSUES

Each scrutiny panel has a standard agenda item so that they can check progress against the recommendations they have previously made.

Members are asked to look at the progress against the recommendations in Appendix A and agree to sign off any recommendations that have been completed, so that they can be removed from the table.

2. RISKS AND OPPORTUNITIES

Risk assessments will already have been carried out on the reports that these recommendations have come from.

Any actions which the council may undertake as a result of recommendations made by scrutiny will be the subject of further reports, which will include risk assessment(s) by the author(s) concerned.

3. OTHER OPTIONS CONSIDERED

Not applicable to this report.

4. REPUTATION AND COMMUNICATIONS CONSIDERATIONS

The panel's tracking report demonstrates that the panel monitors progress on its recommendations and required actions. This report further demonstrates the breadth of matters considered by scrutiny.

5. FINANCIAL CONSIDERATIONS

There are no financial considerations included within this report, beyond scrutiny's enhanced future role in monitoring delivery of the council's budget and medium-term financial plan.

6. MONITORING COMMENTS

In the opinion of the author, this report does not contain recommended changes to policy or resources (people, finance or physical assets). As a result, no monitoring comments have been sought from the Council's Monitoring Officer (legal), Section 151 Officer (finance) or Strategic Workforce Lead (human resources).
