

PUBLIC NOTICE

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, Notice is hereby given that the following item will be considered at the meeting of the Cabinet on Wednesday 10th March, having not previously appeared on the Forward Plan:

- Section 31 local authority grants for additional drug treatment crime and harm reduction activity in 2021/22 – Universal funding component

This item could not reasonably wait until the next ordinary meeting of Cabinet due to late announcement from Public Health England the Council needs to be in a position to accept a significant funding allocation in the sum of £415k. This is a Cabinet decision and if not authorised, will mean that the borough will miss out on a significant funding opportunity. Time frames are beyond the control of the Council and entry onto the forward plan impractical with the timelines dictated by Public Health England

Therefore these items will be considered under the General Exception rules, as laid out in the Regulations.

The Chair of the Health, Well being and Adult Social Care Scrutiny Panel was informed as required under the Regulations, on 24th March 2021.
