If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

The alleged illegal worker provided me with his provisional driving licence and NI number. This made me believe that he was allowed to work in this country. He is not an employee at the shop and was only helping me for a few hours. I was not paying him. In the future I ~~will~~ will make sure that I called all the relevant authorities to find out a worker is a legal worker. The illegal worker has been let free and is allowed to roam the streets but I have been issued a penalty and now this licence issue. I am a responsible business owner and I think it is unfair I have had to go through all this.
