ENVIRONMENT AND
TRANSPORT
DECISION NOTICE**

Publication Date 5th October 2021

At the meeting of the Portfolio Holder – Environment and Transport, held on the 4th October 2021 the following matters were discussed. The decisions of the Portfolio Holder are set out below in each item along with reasons for the decision and other options considered.

DNPH.ETE.17 DECLARATIONS OF INTEREST

There were no declarations of interest made with regards to any items on the agenda.

DNPH.ETE.18 HIGHWAY WINTER SERVICE REVIEW – HIGHWAY WINTER SERVICE POLICY AND OPERATIONAL PLAN (2021-22)

The portfolio holder considered a report that dealt with the annual review of the Council's highway winter service policy and operational plan. The policy and operational plan establish the framework for the provision of service to the travelling public on the highway network in North East Lincolnshire during the winter season.

RESOLVED –

- 1) That the highway winter service policy and operational plan (2021-2022) be approved.**
- 2) That the pavements and roads which Immingham Town Council are responsible for gritting be reported back to the Portfolio Holder.**

REASON FOR DECISION –

As a highway authority the Council is required to review its policy and operational plan for highway winter service on an annual basis.

OTHER OPTIONS CONSIDERED –

The report sets out minor changes and given the role is a statutory one, it is not considered that there are any other reasonable options. The Council could engage less but that would only reduce potential effectiveness with no material counter benefits.
