DATE	15 th July 2021
REPORT OF	Assistant Chief Executive (Statutory Scrutiny Officer)
SUBJECT	Tracking the Recommendations of the Children and Lifelong Learning Scrutiny Panel
STATUS	Open

CONTRIBUTION TO THE COUNCIL PLAN/STRATEGIC AIMS

The scrutiny panels act as a reviewing mechanism for decisions made relating to the strategic policy, performance and resources required to deliver the ambitions of the Council and its key partnerships. The aim of the scrutiny process is to make sure decision making is robust by providing constructive challenge. This contributes to the Council being effective and efficient, and therefore is integral to the delivery of the Council Plan.

EXECUTIVE SUMMARY

The scrutiny panels have adopted a template in order to track their recommendations.

MATTER(S) FOR CONSIDERATION

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed, so that they can be removed from the table.

1. BACKGROUND AND ISSUES

- 1.1 Each scrutiny panel has a standard agenda item so that they can check progress against the recommendations they have previously made.
- 1.2 Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed, so that they can be removed from the table. It would also be effective to sign off any recommendations that have not been completed but which are no longer considered to be an efficient use of resources, or where priorities have changed.
- 1.3 Appendix A of this report contains the recommendations previously made by the Children and Lifelong Learning Scrutiny Panel.

2. RISKS AND OPPORTUNITIES

2.1 Risk assessments will already have been carried out on the reports that these recommendations have come from.

2.2 Any actions which the council may undertake as a result of recommendations made by scrutiny will be the subject of further reports, which will include risk assessment(s) by the author(s) concerned.

3. OTHER OPTIONS CONSIDERED

3.1 Not applicable to this report.

4. REPUTATION AND COMMUNICATIONS CONSIDERATIONS

4.1 The panel's tracking report demonstrates that the panel monitors progress on its recommendations and required actions. This report further demonstrates the breadth of matters considered by scrutiny.

5. FINANCIAL CONSIDERATIONS

5.1 There are no financial considerations included within this report, beyond scrutiny's enhanced role in monitoring delivery of the council's budget and medium term financial plan.

6. MONITORING COMMENTS

6.1 In the opinion of the author, this report does not contain recommended changes to policy or resources (people, finance or physical assets). Plans for a new proposed single access pathway for ASC from March 2018 continue to be developed, quality assured and implemented	Updated 25th June 2021 A business case for the proposed new neuro developmental model has been developed, this has identified that additional investment is required.

Plan immediately to provide support and (if appropriate) diagnosis for those families who feel they have not been helped in recent years and to date and provide a report for the Children and Lifelong Learning Scrutiny Panel to include details on the resource implications.	Access Pathway Coordinator and Interim Project lead in post to ensure that families have access to the information, advice and guidance they need to access support and / or assessment if appropriate.
Consideration be given to rationalising or limiting the number of parenting courses prescribed to a single family. Report to Children and Lifelong Learning Scrutiny Panel.	Parenting offer and approach forms part of the Early Help Transformation Offer.
