Application details: <https://www.nelincs.gov.uk/assets/uploads/2021/03/Application-for-new->

**Last date for representation (if known):** 15/04/2021

**Which of the licensing objectives does your representation refer to? (Select all that apply):**

Prevention of Public Nuisance

**Prevention of public nuisance:** Sea view street is First and foremost a retail and residential area. The council promote it as a family friendly shopping area. This is going to push the street into a bar area. The street has already got problems with anti social behaviour in the daytime over the weekends. We have stag and hen functions spilling onto the street. When people are in these bars and want to smoke they spill onto the pavement and intimidate customers walking in the street. This is supposed to be a family friendly area, would you want your children down the street with groups of drunken people swearing and moving around in large groups. With the government allowing tables and chairs on pavements, the noise would make it impossible for retail business to trade in a safe and thriving manner. The name suggests it is a restaurant but it is not it is a bar. Next the residential properties above the shops would become unliveable in due to the noise. We cannot put double glazing in the windows due to this been a conversation area. The traders have suffered with all the lockdown problems and this would be a nail in the coffin for many. Please realise that you will have another Cleethorpes Market Place on your hands if you follow this route of granting licenced premises in Sea Street.

**If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives:** Yes refuse any more bars. Keep the street as it is, we don't need anymore bars.

**Declaration:**
