Prevention of Public Nuisance

**Prevention of public nuisance:** I do not think it will cause any problems at all, I think it will be good for the resort and they are offering what everyone else is already offering. I honestly do not think it will lead to any kind of crime. The owner has tidied up the front of the building which makes it look great and very welcoming to the public. I honestly think it will be great for holiday makers

**If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives:** I have no objectives to this as I think it's a fantastic idea for the public to be able to get a drink and sit on the beach or take a nice walk along the promenade.
