Which of the licensing objectives does your representation refer to? (Select all that apply):
The Prevention of Crime and Disorder

The prevention of crime and disorder: I am Head Supervisor for Doormen in Cleethorpes and have been for 20 years.

I have seen Mr Pungi in the last few years change 2 rundown drinking venues into friendly places .. attracting the family's and not people who drink and cause trouble.

It has absolutely decreased crime and violent behaviour in those areas, more than you would imagine. I do not think he would do anything to change that.

Mr Pungi is a good operator and actually takes care to run nice venues,
I believe completely that the new unit will not increase crime or disorder and I say that as a professional.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives: i have no objections, i support this application fully
