## **CONTRIBUTION TO OUR AIMS**

The aim of the scrutiny process is to make sure decision making is robust by providing constructive challenge. This contributes to the Council being effective and efficient, and therefore it is integral to the delivery of the Council Plan.

## **EXECUTIVE SUMMARY**

Each scrutiny panel monitors the progress made on their recommendations through a tracking table, which is included as an appendix of this report.

## **MATTER(S) FOR CONSIDERATION**

Members are asked to look at the progress against the recommendations and agree to sign off any recommendations that have been completed or are no longer considered to be an efficient use of resources or where priorities have changed.
