DM/0905/23/TPO Works to a tree with a TPO	Mrs Gary Waller L&G Waller Ltd Pine Lodge Waltham House Farm Louth Road Waltham North East Lincolnshire DN36 4RX	Beech identified as T1 in TPO NEL197 and in Sketch Plan. There is significant decay and cavity in the lowest branch on the North Side. This branch is growing towards the car park in the neighbouring care home. In the interest of safety we propose to prune the branch back to a suitable fork where the decay ends. Should the decay extend further we would prune to the main stem. Approved with Conditions

DM/0951/23/TPO	Mr Christopher Melville	The proposal is to pollard 4 trees to a beight of 13 metres with a spread of 4.
Works to a tree with a TPO	3 Bluebell Court Healing North East Lincolnshire DN41 7JA	<ul> <li>height of 13 metres with a spread of 4- 5 metres measured from the base of the tree. The existing canopy within the new framework will be retained. The pollarding will be a component part of an ongoing programme of maintenance with a 5 year frequency, reviewing the growth from the pollarding and new, decaying or dead branches. Reasons: The canopies of the trees are encroaching on our property and that of two adjoining properties in Clematis Drive. Root damage has also occurred to a building in Clematis Drive. In our case the size of the canopies has resulted in a significant reduction in sunlight throughout the property in summer months.</li> </ul>
DM/0952/23/FUL	Mrs Louise Stevens	Erect single storey extension to rear
