Dear Nelinc

Your reason for approval as follows:

Reason for Approval The Local Planning Authority has had regard to development plan policies and especially those in the North East Lincolnshire Local Plan. The proposal would not harm the area character or residential amenity and is acceptable under all other planning considerations. This proposal is approved in accordance with the North East Lincolnshire Local Plan 2013-2032 (adopted 2018), in particular policies 5, 22 and 33.

This is not true above construction would harm vulnerable patients with chronic respiratory problems, paediatrics patients and patients who comes to receive covid vaccinations as Cottingham Pharmacy 342 Wellington Street DN32 7JR is a Covid vaccination centre.

We are preparing for a spring boosters 2024.

This planning permission is detrimental to patients health and your letter for approval, unfortunately, does not address this issue.

Please kindly reconsider. We may need to take it further to NHS.

Please kindly guide me on how to arrange stay on your decision or appeal against your decisions.

Look forward to hearing from you.

Thank you.

Sincerely

**Mr.Mehulkumar Panchal**
